

BEAT *the* HEAT

DAY OF ACTION

JUNE 21 | 9 AM - 1 PM

GET UNITED with United Way of Tarrant County on our Day of Action to kick off our Beat the Heat campaign. Join us to help protect our most vulnerable populations against dangerous temperatures through donating to our air conditioner unit drive and fundraiser.

BEAT *the* HEAT

IN 2022, TARRANT COUNTY EXPERIENCED AT LEAST ONE HEAT-RELATED DEATH PER WEEK DURING THE SUMMER*

The Climate Prediction Center predicts our region is likely to experience above normal temperatures again this summer. Help United Way of Tarrant County support heat-vulnerable populations with our Beat the Heat Collection Drive!

We're collecting **100 AC units** in honor of our **100-year anniversary** to help older adults and disabled individuals without sufficient access to air conditioning keep cool and prevent serious illness during the hot summer months.

Beat the Heat launches on the United Way of Tarrant County Day of Action on **June 21**.
The Beat the Heat collection drive will continue **June 22 – September 30**.
